**PROXY STATEMENT**

---

**FOR ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held On August 11, 2005**

This proxy statement is furnished to the stockholders of Polo Ralph Lauren Corporation, a Delaware corporation, in connection with the solicitation by our Board of Directors of proxies for the 2005 Annual Meeting of Stockholders of the Company to be held at the St. Regis Hotel, 20th Floor Penthouse, 2 East 55th Street, New York, New York on Thursday, August 11, 2005, at 9:30 a.m., local time, and at any adjournments or postponements thereof. This proxy statement and the accompanying proxy are being mailed to our stockholders on or about July 11, 2005. In this proxy statement, we refer to Polo Ralph Lauren Corporation as the "Company", "we" or "us".

Any proxy delivered pursuant to this solicitation may be revoked by the person executing the proxy at any time before it is voted by giving written notice to the Secretary of the Company, by delivering a later dated proxy, or by voting in person at the Annual Meeting. The address of our principal executive offices is 650 Madison Avenue, New York, New York 10022.

Only holders of record of shares of our Class A Common Stock and Class B Common Stock (together, the "Common Stock") at the close of business on June 27, 2005, the record date for the Annual Meeting, are entitled to notice of, and to vote at, the Annual Meeting and adjournments or postponements thereof. The presence, in person or by proxy, of the holders of one-third of the total number of shares of Common Stock outstanding on the record date will constitute a quorum for the transaction of business at the Annual Meeting. Each owner of record of Class A Common Stock on the record date is entitled to one vote for each share. Each owner of record of Class B Common Stock on the record date is entitled to ten votes for each share. On June 27, 2005, there were 60,773,988 outstanding shares of Class A Common Stock and 43,280,021 outstanding shares of Class B Common Stock. Except for the election of directors, the Class A Common Stock and Class B Common Stock vote together as a single class.

Our Board of Directors has by resolution fixed the number of directors at nine. Two directors (the "Class A Directors") will be elected by plurality vote of the shares of Class A Common Stock present in person or by proxy at the Annual Meeting and eligible to vote and seven directors (the "Class B Directors") will be elected by plurality vote of the shares of Class B Common Stock present in person or by proxy at the Annual Meeting and eligible to vote. The ratification of the appointment of Deloitte & Touche LLP ("Deloitte & Touche") as our independent auditors will each require the affirmative vote of a majority of the total votes cast on that proposal by the shares of Common Stock present in person or by proxy at the Annual Meeting and eligible to vote.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given in such proxies. With respect to the election of directors to serve until the 2006 Annual Meeting of Stockholders, holders of either class of Common Stock may vote in favor of all nominees for election by that class, withhold their votes as to specific nominees, or withhold their votes as to all nominees for election by that class. With respect to the ratification of the appointment of Deloitte & Touche as our independent auditors for the fiscal year ending April 1, 2006, stockholders may vote in favor of ratification, vote against ratification, or abstain from voting. Stockholders should specify their choices on the enclosed form of proxy. If no specific instructions are given with respect to the matters to be acted upon, the shares represented by a properly signed proxy will be voted FOR the election

---

of all nominees for election as directors in the applicable class (Proposal 1) and FOR the proposal to ratify the appointment of Deloitte & Touche as our independent auditors (Proposal 2).

Abstentions will be counted as votes cast on proposals presented to stockholders, but broker non-votes will not be considered votes cast. Shares represented by broker non-votes with respect to any proposal will be considered present but not eligible to vote on such proposal. Abstentions and broker non-votes will have no effect on the election of directors, which is by plurality vote, but abstentions will, in effect, be votes against the ratification of the appointment of independent auditors.

**(PROPOSAL 1)**  
**ELECTION OF DIRECTORS**

The Company's Amended and Restated By-laws provide that our Board of Directors may fix the number of directors constituting the entire Board between six and twenty. The Board has currently fixed the number of directors constituting the entire Board of Directors at nine. Our Board of Directors is presently divided into two classes, with all directors being elected annually. Pursuant to our Amended and Restated Certificate of Incorporation, the two Class A Directors will be elected by the holders of Class A Common Stock and the seven Class B Directors will be elected by the holders of Class B Common Stock, each to serve until the 2006 Annual Meeting and until his or her successor is elected and qualified.

Each of our current directors have been nominated for re-election at the 2005 Annual Meeting. Joel L. Fleishman and Frank A. Bennack, Jr. have been nominated for election as Class A Directors, and Ralph Lauren, Roger N. Farah, Arnold H. Aronson, Joyce F. Brown, Judith A. McHale, Terry S. Semel and Myron E. Ullman, III, have been nominated for election as Class B Directors. We know of no reason why any nominee would be unable or unwilling to serve. If any nominee becomes unable or unwilling to serve for any reason, the Board, based on the recommendation of the Nominating & Governance Committee, may either reduce the number of directors or designate a substitute nominee. If a substitute nominee is designated, the persons named in the enclosed proxy will vote all proxies that would otherwise be voted for the named nominee or nominees for the election of such substitute nominee or nominees.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE FOR EACH NOMINEE AS A DIRECTOR TO HOLD OFFICE UNTIL THE 2006 ANNUAL MEETING OF STOCKHOLDERS AND UNTIL HIS OR HER SUCCESSOR IS ELECTED AND QUALIFIED. PROXIES RECEIVED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY IN THEIR PROXIES THAT AUTHORITY IS WITHHELD AS TO ONE OR MORE NOMINEES.

## CORPORATE GOVERNANCE

Our Board of Directors and management are committed to sound corporate governance. We have in place a comprehensive corporate governance framework which incorporates the corporate governance requirements of the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission (the “SEC”) and the New York Stock Exchange (“NYSE”). Consistent with our commitment to corporate governance, we do not rely on the exceptions from certain of the NYSE’s corporate governance listing requirements available to majority controlled companies. The key components of our corporate governance framework are set forth in the following documents:

- our Amended and Restated Certificate of Incorporation;
- our Amended and Restated By-Laws;
- our Corporate Governance Policies;
- our Audit Committee Charter;
- our Corporate Governance & Nominating Committee Charter;
- our Compensation Committee Charter;
- our Code of Business Conduct and Ethics; and
- our Code of Ethics for Principal Executive Officers and Senior Financial Officers.

Each of these documents are available on our investor relations website at <http://investor.polo.com> by clicking on “Corporate Governance”. Copies of these documents are available to stockholders without charge upon written request to our Investor Relations Department, 650 Madison Avenue, New York, New York 10022. Only the Board of Directors may grant a waiver under our codes of ethics to any director or executive officer, and any such waiver will be promptly posted on our website.

### Director Independence

Our Board of Directors believes that a majority of our directors should be independent, and has determined that six of our non-management directors, Mr. Frank A. Bennack, Jr., Dr. Joyce F. Brown, Mr. Joel L. Fleishman, Ms. Judith A. McHale, Mr. Terry Semel and Mr. Myron E. Ullman, III, are independent in accordance with the guidelines established under our Corporate Governance Policies and the NYSE’s corporate governance listing standards. Our guidelines for determining directors’ independence are set forth as Appendix A to this proxy statement.

### Independent Committees of the Board

Our Board of Directors has established three committees consisting solely of independent directors — the Audit Committee, the Compensation Committee and the Nominating & Governance Committee.

The members of the Audit Committee are Frank A. Bennack, Jr. (Chair), Dr. Joyce F. Brown, Judith A. McHale and Myron E. Ullman, III. The Audit Committee appoints our independent auditors, approves in advance all audit and permitted non-audit services performed by the independent auditors and the scope and cost of their annual audit, and reviews the results of the independent auditors’ annual audit and quarterly reviews with management and the independent auditors, management’s compliance with our major accounting and financial reporting policies, the adequacy of our financial organization, and management’s procedures and policies relating to our internal control over financial reporting and compliance with applicable laws relating to accounting practice. The Audit Committee met eight times in fiscal 2005. The Board has determined that each member of the Audit Committee is financially literate, that the Audit Committee has at least one member who is an audit committee financial expert, as defined by the SEC, and that Mr. Bennack, the Chair, is an audit committee financial expert. The Audit Committee has adopted a formal policy for the approval of the performance of audit and non-audit services of the independent auditors. This policy is described under “(PROPOSAL 2) RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS.”

## Table of Contents

The members of the Compensation Committee are Joel L. Fleishman (Chair), Frank A. Bennack, Jr. and Terry S. Semel. The Compensation Committee reviews and approves compensation plans and arrangements with respect to our executive officers and administers employee benefit plans in which executive officers may participate, including our Amended and Restated 1997 Long-Term Stock Incentive Plan. The Compensation Committee met twelve times in fiscal 2005.

The members of the Nominating & Governance Committee are Myron E. Ullman, III (Chair), Dr. Joyce F. Brown and Joel L. Fleishman. The Nominating & Governance Committee identifies individuals qualified to become directors, recommends director nominees to the Board, develops and recommends corporate governance policies to the Board, exercises oversight of the evaluation of the Board and senior management and recommends to the Board policies and principles for Chief Executive Officer succession, selection and performance reviews. The Nominating & Governance Committee met once in Fiscal 2005.

### **Non-Management Director Meetings**

Our non-management directors met three times in fiscal 2005 without any management representatives present. Pursuant to our Corporate Governance Policies, the leader of meetings of the non-management directors is chosen from among the chairs of the Audit, Compensation and Nominating & Governance Committees based on the topics to be discussed. The session leader can retain independent consultants and schedule meetings. Our Corporate Governance Policies also provide that an executive session consisting of only those non-management directors who qualify as independent will be held at least once a year.

### **Director Nominating Procedures**

The Nominating & Governance Committee identifies and evaluates candidates for nomination as directors and submit its recommendations to the full Board for its consideration. The Committee, guided by the membership criteria established by the Board in our Corporate Governance Policies, seeks highly qualified candidates who combine a broad spectrum of experience and expertise with a reputation for integrity. Candidates should have experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are affiliated. Our Board selects director nominees based upon contributions they can make to the Board and management regardless of gender or race, and seeks to maintain a majority of independent directors. The Committee will receive input on director candidates from other directors, including the Chairman of the Board, and may engage third parties to assist in the search for director candidates or to assist in gathering information regarding director candidates' background and experience. If the Committee engages a third party to assist it, the Committee approves the fees that we pay for these services.

The Nominating & Governance Committee will consider candidates recommended by our directors, members of management and stockholders, and will evaluate candidates recommended by stockholders on the same basis as other candidates. Upon receiving a stockholder recommendation, the Committee will initially determine the need for additional or replacement Board members and evaluate the candidate based on the information the Committee receives with the stockholder recommendation or may otherwise acquire, and may, in its discretion, consult with the Chairman and other members of our Board. If the Committee determines that a more comprehensive evaluation is warranted, the Committee may obtain additional information about the director candidate's background and experience, including by means of interviews with the candidate.

Our stockholders may recommend candidates at any time, but the Nominating & Governance Committee requires recommendations for election at an annual meeting of stockholders to be submitted to the Committee no later than 120 days before the first anniversary of the date of the proxy statement sent to stockholders in connection with the previous year's annual meeting. The Nominating & Governance Committee believes this deadline is appropriate and in the best interests of the Company and our stockholders because it ensures that the Committee has sufficient time to properly evaluate all proposed candidates. Therefore, to submit a candidate for consideration for nomination at the 2006 Annual Meeting of Stockhold-

ers, a stockholder must submit the recommendation, in writing, by March 3, 2006. The written notice must include:

- all information relating to each potential candidate whom the stockholder is recommending that would be required to be disclosed in a solicitation of proxies for the election of such person as a director pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (“Exchange Act”), including such person’s written consent to being named in the proxy statement as a nominee and to serve as a director if elected;
- the name and address of the stockholder giving the notice, as they appear on our books, and of the beneficial owner of those shares; and
- the class and number of shares which are owned beneficially or of record by the stockholder and the beneficial owner.

Recommendations must be sent to the Nominating & Governance Committee, Office of the Secretary, Polo Ralph Lauren Corporation, 650 Madison Avenue, New York, New York 10022.

Our stockholders may directly nominate an individual for election as a director at an annual meeting by complying with the nominating procedures set forth in our Amended and Restated By-laws, which are described below under the caption “ADDITIONAL MATTERS — Stockholder Proposals for the 2006 Annual Meeting”.

### **Director Communications**

Stockholders may contact any of our directors, including the Chairman of the Board, the chairs of our independent committees, any committee of the Board, the Board’s non-management directors as a group or the entire Board, by writing to them as follows: [Name(s)/ Title(s)], Office of the Secretary, Polo Ralph Lauren Corporation, 650 Madison Avenue, New York, New York 10022. Communications received in this manner will be handled in accordance with the procedures approved by the Company’s independent directors, who have requested that certain items that are unrelated to the duties and responsibilities of the Board should be excluded, such as:

- spam
- junk mail and mass mailings
- product complaints
- product inquiries
- new product suggestions
- resumés and other forms of job inquiries
- surveys
- business solicitations or advertisements

In addition, material that is threatening, illegal or similarly unsuitable will be excluded, with the provision that any communication that is filtered out must be available to any non-management Director upon request.

### **Audit Committee Communications**

Complaints and concerns relating to accounting, internal control over financial reporting auditing matters may be communicated to the Audit Committee, which consists solely of non-employee directors, through the Office of the Secretary as described above under “Director Communications”. Any such communication may be anonymous.

All complaints and concerns will be reviewed by the Audit Committee or a designated member of the Audit Committee. If the Committee or its member designee determines that a reasonable basis exists for

conducting a formal investigation, the Audit Committee will direct and supervise the investigation, and may retain independent legal counsel, accountants and other advisors as it deems necessary. Confidentiality will be maintained to the fullest extent consistent with the need to conduct an adequate review. Prompt and appropriate corrective action will be taken when and as warranted in the judgment of the Audit Committee.

Our Code of Business Conduct and Ethics provides that we will not discharge, demote, suspend, threaten, harass or in any manner discriminate against any employee in the terms and conditions of his or her employment based upon any lawful actions of such employee with respect to good faith reporting of complaints regarding accounting, internal controls or auditing matters.

### **Director Attendance at Annual Meetings**

The Company's Corporate Governance Policies state that directors are expected to attend Annual Meetings of Stockholders. Nine of the eleven directors then constituting the entire Board attended the 2004 Annual Meeting of Stockholders.

### **Compensation of Directors**

Each non-employee director receives an annual retainer of \$35,000 and the independent chairpersons of our Audit, Compensation and Nominating & Governance Committees receive an additional annual retainer of \$7,500 for serving in such capacities. Non-employee directors also receive \$2,000 for each meeting of a Committee of the Board that he or she attends. Directors who are also employees of the Company receive no additional compensation for service as a director. Under the Company's 1997 Non-Employee Director Stock Option Plan, each non-employee director receives an initial grant of options to purchase 7,500 shares of Class A Common Stock upon joining the Board, and thereafter receives annual grants of options to purchase 3,000 shares of Class A Common Stock.

### **Required Certifications**

As of the mailing date of this proxy statement, our Chief Executive Officer and Chief Financial Officer have timely delivered the certifications required under applicable rules of the SEC. The Chairman and Chief Executive Officer's fiscal 2004 certification to the NYSE regarding the NYSE's corporate governance listing standards did not contain any qualification with respect to the Company's compliance with such standards.

### **Audit Committee Report**

The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to the Company's consolidated financial statements, the Company's compliance with legal and regulatory requirements, the Company's system of internal control over financial reporting and the qualifications, independence and performance of its internal and independent auditors. We have the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent auditors. The Committee is composed of four independent directors and operates under a written charter adopted by the Audit Committee and ratified by the Board.

Management is responsible for the financial reporting process, including the system of internal control over financial reporting, and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. Deloitte & Touche, the Company's independent auditors, are responsible for auditing those financial statements and management's report on internal control over financial reporting and expressing an opinion as to the fairness of the financial statement presentation in accordance with generally accepted accounting principles. Our responsibility is to oversee and review these processes. We are not, however, professionally engaged in the practice of accounting or auditing and do not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. We rely, without independent verification, on the information provided to us and on the representations made by management and the independent auditors.

## Table of Contents

In this context, we have met and held discussions with management and Deloitte & Touche. Management represented to us that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and we have reviewed and discussed the consolidated financial statements for the fiscal year ended April 2, 2005 and the Company's internal control over financial reporting with management and Deloitte & Touche. We also discussed with Deloitte & Touche the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). Deloitte & Touche provided to us the written disclosures required by Independence Standards Board Standard No. 1, as amended (Independence Discussions with Audit Committees), and we discussed their independence with them. When considering Deloitte & Touche's independence, we considered whether their provision of non-audit services to the Company was compatible with maintaining independence. We received regular updates on the amount of fees and scope of audit and non-audit services provided. All services were provided consistent with applicable rules and our pre-approval policies and procedures.

Based on our discussions with management, the internal auditors and Deloitte & Touche and our review of the representations of management and Deloitte & Touche, and subject to the limitations on our role and responsibilities referred to above and set forth in the Audit Committee Charter, we recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended April 2, 2005 be included in the Company's Annual Report on Form 10-K. We also approved, subject to stockholder ratification, the selection of Deloitte & Touche as the Company's independent auditors for the fiscal year ending April 1, 2006.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers to file initial reports of ownership and reports of changes in ownership of our Class A Common Stock with the SEC and provide copies of these reports to us. These filing requirements also apply to certain beneficial owners of more than ten percent of our Class A Common Stock. To our knowledge, based solely on review of the copies of Section 16(a) reports furnished to us during the fiscal year ended April 2, 2005 and on written representations from certain reporting persons that no Form 5's were required to be filed by such persons, all reportable transactions during that fiscal year were reported on a timely basis except that Mr. Lauren, Ms. Travis and Mr. Kosh each were inadvertently late in reporting the grant of an equity award under our Amended and Restated 1997 Long-Term Stock Incentive Plan.

- (1) As permitted by SEC rules, we have elected to calculate the Grant Date Present Value of the options set forth in this table using the Black-Scholes option-pricing model. The Company’s use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option models require a prediction about the future movement of stock price. The following assumptions were made for purposes of calculating the Grant Date Present Values: expected time of exercise of 5.2 years, volatility of 35%, a risk-free interest rate of 3.29% and an annual dividend yield of 0.46%. The actual value of the options in this table will depend upon the actual market value of the Company’s stock during the applicable period and upon when options are exercised. The dollar amounts in this column are not intended to forecast potential future appreciation, if any, of the Company’s Class A Common Stock.
- (2) Mr. Lauren’s and Mr. Kosh’s options were granted on June 8, 2004.

Under Mr. Lauren's employment agreement, he cannot compete with the Company during the term of his employment and for a period of two years thereafter.

*Roger N. Farah's Employment Agreement.* Prior to July 1, 2004, Mr. Farah's employment agreement, as amended and restated as of July 23, 2002, provided for his employment as President and Chief Operating Officer through December 31, 2007, subject to automatic, successive one year extensions thereafter unless either party gives at least 180 days' prior notice that the term will not be extended. On July 1, 2004, Mr. Farah's employment agreement was amended to extend its term from December 31, 2007 to April 3, 2010, the last day of our 2010 fiscal year, and provide for the grants of restricted stock units described below. The amendment continues Mr. Farah's current base salary, annual incentive bonus opportunity and deferred compensation through the end of the extended employment term.

Mr. Farah's annual base salary is \$900,000, and he is eligible to receive an annual incentive bonus ranging from 100% to 300% of his annual salary based upon the achievement of performance goals established by the Compensation Committee under the Company's Executive Officer Annual Incentive Plan, with a target bonus of 200% of his annual salary. In addition, Mr. Farah receives \$250,000 per year in the form of deferred compensation. Such deferred compensation is credited monthly to Mr. Farah's account and is deemed, for purposes of determining the amount Mr. Farah will be entitled to receive upon termination of his employment, to have been invested in one or more mutual funds. Mr. Farah's deferred compensation account will vest over a five-year period ending in 2007, subject to accelerated vesting upon Mr. Farah's termination by the Company without cause (as defined in his employment agreement), Mr. Farah's termination of his employment for good reason (as defined in his employment agreement) or Mr. Farah's death or disability. The vested deferred compensation is payable to Mr. Farah following the termination of his employment.

Under the amended employment agreement, Mr. Farah is entitled to receive grants of restricted stock units under the Company's 1997 Stock Incentive Plan that, subject to vesting, are payable in shares of the Company's Class A Common Stock. Mr. Farah received an initial grant of 437,500 restricted stock units on July 1, 2004. Of these, 250,000 will vest in three equal installments at the end of fiscal 2008, fiscal 2009 and fiscal 2010, subject to Mr. Farah's continued employment. The remaining 187,500 restricted stock units vest, in whole or in part, in three equal installments subject to the Company's achievement of performance goals established by the Compensation Committee of the Board of Directors under our 1997 Long-Term Stock Incentive Plan as well as Mr. Farah's continued employment; with the first installment vesting based on the Company's net income in fiscal 2005, the second installment vesting based on the Company's aggregate net income for fiscal 2005 and fiscal 2006, and the third installment vesting based on the Company's aggregate net income for the period fiscal 2005 through fiscal 2007. Any restricted stock units that do not vest are cancelled.

Mr. Farah's employment agreement also provides for additional grants of restricted stock units that will vest, subject to the Company's performance over multi-year performance periods ending during the extended term of his employment agreement. Mr. Farah received a grant of 187,500 restricted stock units on June 15,

## Table of Contents

2005 and will receive grants of 187,500 units in each of 2006 and 2007, subject to his continued employment. Each of these grants will vest at the end of a three year performance period, with the first vesting at the end of fiscal 2008, the second vesting at the end of fiscal 2009 and the third vesting at the end of fiscal 2010. The performance criteria for these awards will be set by the Compensation Committee on their respective grant dates in accordance with the 1997 Stock Incentive Plan.

With respect to each restricted stock unit, Mr. Farah is entitled to dividend equivalents in the form of additional restricted stock units upon the issuance of a cash dividend on the Company common stock. Upon the termination of Mr. Farah's employment with the Company without cause (as defined in his employment agreement), Mr. Farah's termination of his employment for good reason (as defined in his employment agreement) or Mr. Farah's death or disability, all of the outstanding awards that are not performance-based will immediately vest and a pro rata portion of the then outstanding performance-based awards will immediately vest based upon the elapsed portion of the performance period, assuming achievement of the required performance targets. Upon the termination by the Company for cause (as defined in his employment agreement) or a voluntary resignation by Mr. Farah without good reason (as defined in his employment agreement), all outstanding unvested restricted stock units will be immediately cancelled and forfeited to the Company.

Mr. Farah is eligible to participate in all employee benefit plans and arrangements of the Company for its senior executive officers. In connection with the amendment and restatement of his employment agreement on July 23, 2002, Mr. Farah was granted 300,000 shares of restricted stock and options to purchase 400,000 shares of the Company's Class A Common Stock. The shares of restricted stock vest in equal annual installments on the first five anniversaries of the date of grant. The options vest in equal annual installments on the second, third and fourth anniversaries of the date of grant. If Mr. Farah resigns for good reason or if the Company terminates his employment for any reason other than death, disability, cause or non-renewal, Mr. Farah will be entitled to receive a pro rata portion of his target annual incentive bonus for the year of termination plus an amount, generally payable over Mr. Farah's severance period, equal to the sum of: (i) the severance multiplier times his annual base salary and (ii) the severance multiplier times his target annual incentive bonus. Mr. Farah's severance multiplier is the greater of (i) the number of years, up to three remaining in the term or (ii) two. The total number of months in the severance multiplier is Mr. Farah's severance period. Mr. Farah will be entitled to exercise any options granted to him before July 23, 2002 until the first anniversary of the termination date, and to exercise any vested options granted to him on or after July 23, 2002 until the later of December 31, 2007 or the first anniversary of his termination date. Upon any such termination, the options granted to him on July 23, 2002 shall vest in an amount equal to the percentage of such options that would have been vested on the July 23 following his termination if no termination had occurred. In addition, Mr. Farah shall vest in the number of restricted shares granted to him on July 23, 2002 that would have vested as of the July 23 following his termination if no termination had occurred. In addition, Mr. Farah will be entitled to continued participation in the Company's health benefit plans and continued payment of his automobile allowance during the severance period.

If a change of control of the Company occurs prior to any such termination of employment, then Mr. Farah may elect to receive the cash severance payments described above in two equal lump sum installments, the first payable within 30 days after the date of termination and the second on the first anniversary of the date of termination, and all outstanding options, restricted shares and restricted stock units previously awarded to him, whether pursuant to his employment agreement or otherwise, will immediately vest and, in the case of outstanding options, remain exercisable for a period of at least one year.

If either the Company or Mr. Farah elects not to extend the term of his employment, Mr. Farah will be entitled to receive his salary through the date of termination plus the annual incentive bonus he would have been entitled to receive had he been employed by the Company through the end of the fiscal year, prorated to the date of termination. If it is the Company that elects not to extend the term, Mr. Farah will also be entitled to receive an amount, payable in twelve equal monthly installments, equal to the sum of (i) his annual base salary and (ii) his target annual incentive bonus. If the Company terminates Mr. Farah for cause or Mr. Farah resigns other than for good reason, he is entitled to receive only his base salary through the date of termination.

## Table of Contents

In the event of Mr. Farah's termination due to his death or disability, Mr. Farah is entitled to receive all payments due to him through the date of his death or termination due to disability, including a pro-rated annual incentive bonus for the year of termination.

If the Company and Mr. Farah both determine that part or all of the payments under his employment agreement constitute "parachute payments" under Section 280G(b)(2) of the Internal Revenue Code, then, if the aggregate present value of such parachute payments and all other parachute payments exceeds 2.99 times Mr. Farah's "base amount", as defined in Section 280G(b)(3) of the Internal Revenue Code, the payments to Mr. Farah constituting "parachute payments" will be reduced to the extent necessary so that the parachute payments equal 2.99 times Mr. Farah's "base amount". However, such amounts will not be so reduced if Mr. Farah determines that without such reduction he would be entitled to receive and retain, on a net after tax basis, an greater amount, on a net after tax basis, than he would be entitled to after such reduction.

Mr. Farah may not compete with the Company during the term of Mr. Farah's employment and for 12 months thereafter.

*Jackwyn Nemerov's Employment Agreement.* Ms. Nemerov's employment agreement, dated as of September 9, 2004, provides for her employment for a five year term at a base salary of not less than \$900,000, and an annual incentive bonus opportunity ranging from 57.5% to 200% of her annual base salary, subject to the achievement of performance goals established under the Company's Executive Officer Annual Incentive Plan. Ms. Nemerov is also entitled to participate in all other employee benefit plans that by their terms are applicable to her. Pursuant to Ms. Nemerov's employment agreement, on October 1, 2004 she was granted 75,000 shares of Class A Common Stock and options to purchase an additional 200,000 shares. Fifteen thousand of these restricted shares will vest each of the first five anniversaries of the grant date, subject to Ms. Nemerov's continued employment.

If the Company terminates Ms. Nemerov's employment for any reason other than death, disability or cause (as defined in her employment agreement), Ms. Nemerov shall be entitled to receive, in accordance with the Company's normal payroll practices, an amount equal to her base salary for a severance period equal to the longer of the remaining term of her employment agreement and one year, plus a lump sum amount at the end of the severance period equal to the bonus paid to Ms. Nemerov for the year preceding the year in which her termination occurs. In addition, Ms. Nemerov will be entitled to continued participation in any group medical, dental or life insurance plans during the severance period. If the Company terminates her employment without cause within 12 months following a change in control of the Company (as defined in the employment agreement), then, in lieu of the foregoing amounts, Ms. Nemerov shall be entitled to receive a lump sum equal to two times the sum of her base salary and the bonus she was paid for the year prior to her termination, any unvested options held by Ms. Nemerov will vest, and all of her vested options will remain exercisable for six months.

If Ms. Nemerov becomes entitled to one or more payments, whether pursuant to the terms of her employment agreement or any other plan or agreement with the Company or any affiliated company, which are or become subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, Ms. Nemerov is entitled to a gross-up payment as may be necessary to place Ms. Nemerov in the same after-tax position as if no portion of the payments paid to her had been subject to such tax.

*Tracey T. Travis' Employment Agreement.* Ms. Travis' employment agreement effective as of January 3, 2005, provides for her employment through January 3, 2008 at an annual base salary of \$625,000. Ms. Travis is entitled to participate in any applicable annual bonus program that the Company maintains during the term of her employment. Ms. Travis received a sign-on bonus of \$250,000 and, due to the fact that she joined the Company during the fourth quarter of fiscal 2005, a fixed bonus of \$200,000 in lieu of participation in the Company's incentive bonus program for Fiscal 2005. If the Company terminates Ms. Travis' employment for any reason other than death, disability or cause (as defined in her employment agreement), Ms. Travis will be entitled to continue to receive, in accordance with the Company's normal payroll practices, an amount equal to her base salary for a severance period of one year or the remaining term

of her employment agreement, whichever is longer plus an amount, payable at the end of the severance period, equal to the bonus that Ms. Travis received for the year immediately preceding the year in which her employment terminates. In addition, Ms. Travis will be entitled to continue her participation during the severance period in any group medical, dental or life insurance plans in which she participated prior to termination. If the Company terminates her employment without cause within 12 months following a change of control in the Company, Ms. Travis will be entitled to receive a lump sum amount, payable within 15 days after the termination of her employment, equal to twice the sum of her base annual salary and the bonus she received for the year immediately preceding the year in which her employment terminates, any unvested options held by Ms. Travis will immediately vest, and all vested options held by Ms. Travis will remain exercisable for six months.

If Ms. Travis voluntarily terminates her employment, or if the Company terminates her employment for cause, Ms. Travis will be entitled to receive only her base salary through the date of termination. In the event Ms. Travis's employment terminates due to her death or disability, Ms. Travis or her estate will be entitled to receive all payments due to her through the date of her death or termination due to disability. Ms. Travis may not compete with the Company during the term of her employment and for a period of one year thereafter. The one-year post-termination non-compete period will not apply, however, if the Company terminates Ms. Travis' employment agreement without cause.

If Ms. Travis becomes entitled to one or more payments, whether pursuant to the terms of her employment agreement or any other plan or agreement with the Company or any affiliated company, which are or become subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, Ms. Travis is entitled to a gross-up payment as may be necessary to place Ms. Travis in the same after-tax position as if no portion of the payments paid to her had been subject to such tax.

*Mitchell A. Kosh's Employment Agreement.* Mr. Kosh's employment agreement, as amended and restated as of April 3, 2005, provides for his employment through April 3, 2008 at an annual base salary of \$600,000. Mr. Kosh is entitled to participate in any applicable annual bonus program that the Company maintains during the term of his employment. If the Company terminates his employment for any reason other than death, disability or cause (as defined in his employment agreement), Mr. Kosh will be entitled to continue to receive, in accordance with the Company's normal payroll practices, an amount equal to his base salary for a period of one year or the remaining term of his employment agreement, whichever is longer (the "Kosh Severance Period"), plus an amount, payable at the end of the Kosh Severance Period, equal to the bonus that Mr. Kosh received for the year immediately preceding the year in which his employment was terminated. In addition, Mr. Kosh will be entitled to continue his participation in any group medical, dental or life insurance plans during the Kosh Severance Period. If the Company terminates Mr. Kosh's employment without cause within 12 months following a change in control of the Company, Mr. Kosh will be entitled to receive a lump sum amount, payable within 15 days after the termination of his employment, equal to twice the sum of his base annual salary and the bonus paid to him for the year immediately preceding the year in which his employment was terminated, any unvested options held by Mr. Kosh will immediately vest, and all options held by him will remain exercisable for six months.

If Mr. Kosh voluntarily terminates his employment, or if the Company terminates his employment for cause, Mr. Kosh will be entitled to receive only his base salary through the date of termination. In the event of Mr. Kosh's termination due to his death or disability, Mr. Kosh or his estate will be entitled to receive all payments due him through the date of his death or termination due to disability. Mr. Kosh may not compete with the Company during the term of his employment and for a period of one year thereafter. The one-year post-termination non-compete period will not apply, however, if the Company terminates Mr. Kosh's employment agreement without cause.

If Mr. Kosh becomes entitled to one or more payments, whether pursuant to the terms of his employment agreement or any other plan or agreement with the Company or any affiliated company, which are or become subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, Mr. Kosh is entitled to a gross-up payment as may be necessary to place Mr. Kosh in the same after-tax position as if no portion of the payments paid to him had been subject to such tax.

## Compensation Committee Report

*Compensation Philosophy.* The Company's compensation philosophy, as formulated by the Compensation Committee and endorsed by the Board of Directors, is designed to attract, motivate and retain highly qualified executives and to support a performance-oriented environment that rewards achievement of the Company's short and long-term goals. Consistent with this philosophy, a key objective of the Committee is to ensure that the executive compensation program links a significant portion of compensation directly to operating performance.

The Company's compensation structure consists of base salary, variable annual cash bonuses, and long-term incentive awards in the form of stock options, restricted stock awards, and restricted performance share units. The Company also provides deferred compensation and perquisites for selected senior executives. These components of compensation are reviewed both internally and externally relative to companies that compete with the Company for business and/or executive and creative talent to evaluate the appropriateness of the Company's executive pay program.

*Base Salary and Bonus.* The Company's employment agreements with Mr. Lauren and certain other executives ("Executive Compensation Agreements") set forth base salary amounts and provide for an annual bonus payable for attaining performance goals.

Annual bonuses for Messrs. Lauren and Farah for fiscal 2005 were provided under the Executive Officer Annual Incentive Plan. The Plan is designed to promote the success of the Company by providing designated executive officers with an opportunity to earn incentive compensation dependent upon that success. The Plan is also intended to provide awards that are "qualified performance-based" compensation under Section 162(m) of the Internal Revenue Code of 1986 as amended (the "Code"). See "Certain Tax Matters" below.

Payment of annual cash incentive awards to executive officers is based on achievement of pre-established performance goals set by the Committee. These goals reflect Company and/or business unit performance using one or more of the following performance measures: basic or diluted earnings per share, net revenues, gross profit, income before income taxes, income before income taxes less a charge for capital, return on capital, return on equity, return on investment, operating expenses as a percentage of net revenues, selling, general and administrative expenses as a percentage of net revenues, working capital ratios, inventory turn rate and inventory shrinkage control; each as determined in accordance with Generally Accepted Accounting Principles as consistently applied by the Company.

For fiscal 2005, net income before income taxes was the basic performance measure and the strategic goal performance measure was total Corporate expense control as a percentage of sales. In calculating the bonuses, the Company performance against target was adjusted, in accordance with the rules established by the Committee at the start of the fiscal year, for restructuring charges, changes in lease accounting, exclusion of the impact of the determination to consolidate the Company's Ralph Lauren Media LLC joint venture in the Company's financial results, and charges and expenses arising out of the Company's litigation with Jones Apparel Group, Inc. over the termination of the Lauren line license agreements. Mr. Lauren's bonus payment is not adjusted relative to strategic goals.

Performance measures may vary from period to period and from executive officer to executive officer and may be established on a stand-alone basis, in tandem or in the alternative. If so determined by the Committee at the beginning of the period, performance relative to goals may be adjusted, to the extent permitted under Section 162(m) of the Code, to omit the effects of extraordinary items, gain or loss on the disposal of a business segment, unusual or infrequently occurring events and transactions and cumulative effects of changes in accounting principles.

Amounts payable under the Plan are based on achievement of performance and strategic goals. The payments so determined may be reduced or eliminated at the Committee's discretion, but cannot be increased.

*Long-Term Equity-Based Incentives.* The Committee is responsible for determining long-term equity-based incentive grants under the Company's Amended and Restated 1997 Long-Term Stock Incentive Plan. Stock option and performance-based restricted stock unit awards granted during fiscal 2005 under the 1997 Long-Term Stock Incentive Plan were determined based on the executive's position in the Company and an assessment of the prevailing compensation levels among the Company's competitors and U.S. general industry

## Table of Contents

companies. For performance-based restricted stock unit awards granted in fiscal 2005, the performance measure selected was net income, as adjusted, in accordance with the rules established by the Committee at the start of the fiscal year, for restructuring charges, changes in lease accounting, exclusion of the impact of the determination to consolidate the Company's Ralph Lauren Media LLC joint venture in the Company's financial results, and charges and expenses arising out of the Company's litigation with Jones Apparel Group, Inc. over termination of the Lauren line license agreements. Awards granted under the 1997 Long-Term Stock Incentive Plan also may include restricted stock and other performance and stock-based awards.

*Chief Executive Officer Compensation.* During fiscal 2005, Mr. Ralph Lauren, the company's Chief Executive Officer, was paid a base salary of \$1,000,000. This amount is governed by the terms of Mr. Lauren's employment agreement with the Company, which is described in the preceding "Executive Compensation Agreements" section of this Proxy Statement.

Mr. Lauren's employment agreement provides for an annual bonus in fiscal 2005 with a target of \$9,000,000 and a maximum of 150% of target, or \$13,500,000. Based on the Company's achievement of performance goals relative to pre-tax net income established by the Committee, for fiscal 2005 Mr. Lauren received a bonus of \$13,257,000 equal to 147% of his target bonus opportunity.

Under the terms of Mr. Lauren's employment agreement, in June 2004 the Company granted Mr. Lauren 150,000 stock options with an exercise price set at the Fair Market Value of the common stock on the date of the grant as part of the annual stock option grant cycle. These options generally vest ratably over three years (33% per year) beginning on the first anniversary of the date of grant. Mr. Lauren was also granted 100,000 Restricted Stock Units, which will vest on the fifth anniversary of the date of grant, subject to acceleration in certain circumstances. On each date that the corporation issues a cash dividend on the Common Shares, Mr. Lauren is credited with an additional number of restricted stock units ("Dividend Units") equal to the value of the cash dividend multiplied by the number of Units that Mr. Lauren holds on the record date divided by the Fair Market Value per Common Share on the payment date for such Dividend. Once credited, each Dividend Unit is treated as a Unit subject to the same terms and conditions as the Units from which such Dividend Units are derived.

*Other Executive Officers.* The base salaries, annual incentive bonuses, equity awards and other aspects of the compensation of the Company's other executive officers are reported under "EXECUTIVE COMPENSATION".

*Certain Tax Matters.* Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the corporation's Chief Executive Officer and the four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. The Company's Executive Officer Annual Incentive Plan and 1997 Long-Term Stock Incentive Plan are designed to permit the deductibility of awards payable to the Company's executive officers for Federal income tax purposes. In making its decisions, the Committee considers the deductibility of executive compensation, but reserves the right to compensate executive officers in a manner commensurate with performance and the competitive environment for executive and creative talent. As a result, some portions of the compensation paid to executive officers whose compensation is subject to the deduction limits described above may not be deductible by the Company.

### Other Agreements, Transactions and Relationships

In connection with the reorganization that preceded our initial public offering in June 1997, we and our stockholders entered into a stockholders’ agreement (the “Stockholders’ Agreement”) which sets forth certain voting and other agreements for the period prior to completion of the initial public offering. All of the provisions of the Stockholders’ Agreement terminated upon completion of the initial public offering, except for certain provisions relating to certain tax matters with respect to our predecessor entities, certain restrictions on transfers of shares of Common Stock and indemnification and exculpation provisions.

We have entered into indemnification agreements with each of our directors and certain executives. The indemnification agreements require, among other things, that we indemnify our directors and executives against certain liabilities and associated expenses arising from their service as directors and executives of the Company and reimburse certain related legal and other expenses. In the event of a change of control (as defined therein), we will, upon request by an indemnitee under the agreements, create and fund a trust for the benefit of such indemnitee sufficient to satisfy reasonably anticipated claims for indemnification.

Four employees of the Company perform full-time services for Mr. Lauren which are non-Company related; three employees carry out domestic activities in Mr. Lauren’s household and one employee works in an administrative assistant capacity. Mr. Lauren reimburses us for the full amount of the salary, benefits and

other expenses relating to such employees. Pursuant to his employment agreement with us, Mr. Lauren will continue to be entitled to have such employees perform such services provided he reimburses us for the full amount of salary, benefits and other expenses relating to such employees. Amounts reimbursed by Mr. Lauren for his use of such four employees for non-Company related services in fiscal 2005 were approximately \$342,915. In addition, during fiscal 2005, certain of our creative services employees spent a portion of their time performing services for Mr. Lauren which are non-Company related. Mr. Lauren reimburses us for all direct expenses that we incur in connection with such employees' performance of services for him, including an allocation of such employees' salaries and benefits. We anticipate that certain of our creative services employees will continue to perform services for Mr. Lauren in fiscal 2006. Amounts reimbursed to us by Mr. Lauren for the salaries and benefits of such creative services employees for non-Company related services in fiscal 2005 were approximately \$255,387.

From time to time, both Mr. Lauren (who is required, under his employment agreement, to use private aircraft for security purposes) and other executives use Mr. Lauren's personal aircraft on Company business. We reimburse Mr. Lauren for such use at market rates for private aircraft. In fiscal 2005, no amounts were paid to Mr. Lauren for the use of his aircraft solely by other executives of the Company.

### **(PROPOSAL 2)**

#### **RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR**

The Audit Committee of the Board of Directors has appointed Deloitte & Touche LLP as independent auditor to audit the financial statements of the Company and its subsidiaries for the year ending April 1, 2006. A resolution will be presented at the meeting to ratify their appointment.

All services provided by Deloitte & Touche in fiscal 2005 have been reviewed with the Audit Committee to confirm that the performance of such services is consistent with the regulatory requirements for auditor independence.

#### **Independent Auditor Fees**

The Audit Committee has adopted a policy governing the pre-approval by the Audit Committee of all services, audit and non-audit, to be provided to the Company by its independent auditor. Under the policy, the Audit Committee has generally pre-approved the provision by the Company's independent auditors of specific audit, audit related, tax and other non-audit services, subject to the fee limits established from time to time by the Audit Committee, as being consistent with auditor independence. The provision of all other services, and all generally pre-approved services in excess of the applicable fee limits, by the independent auditors must be specifically pre-approved by the Audit Committee on a case-by-case basis. Our Chief Financial Officer is required to determine if any request or application for services proposed to be performed by the independent auditors has the general pre-approval of the Audit Committee, and the Audit Committee must be updated at each regularly scheduled meeting of the generally pre-approved services performed by the independent auditor since the Committee's last regularly scheduled meeting. Requests or applications to provide services that require the specific pre-approval of the Audit Committee must be submitted to the Committee by both the independent auditor and our Chief Financial Officer, and both must advise the Committee as to whether, in

## Table of Contents

their view, the request or application is consistent with the SEC's rules on auditor independence. The Audit Committee may delegate either type of pre-approval authority to one or more of its members, and has currently delegated such authority to the Committee Chair. All pre-approved decisions made by the delegated member or members must be reported to the full Audit Committee at its next scheduled meeting.

For fiscal 2005, the Audit Committee established fee limits on generally pre-approved services outside the scope of the pre-approved annual audit engagement of \$500,000 for tax services, \$500,000 for due diligence services in connection with acquisitions or dispositions, and \$250,000 for all other generally pre-approved non-audit services.

Aggregate fees, including expenses, for professional services rendered for the Company by Deloitte & Touche for fiscal 2005 and fiscal 2004 were:

	<u>Fiscal 2005</u>	<u>Fiscal 2004</u>
Audit fees	\$ 4,888,985	\$ 2,389,720
Audit-related fees	427,288	217,446
Tax fees	1,341,389	3,914,202
All other fees	—	—
Total	<u>\$ 6,657,662</u>	<u>\$ 6,521,368</u>

*Audit Fees.* Audit fees are fees billed by Deloitte & Touche for professional services for the audit of the Company's annual financial statements and management's report on internal control over financial reporting. Audit fees also include fees billed for professional services for the review of financial statements included in the Company's Form 10-Qs and for services that are normally provided by Deloitte & Touche in connection with statutory and regulatory filings or engagements.

*Audit-related Fees.* Audit related fees are fees billed by Deloitte & Touche for assurance and related services that are related to the performance of the audit or review of the Company's financial statements. These services include employee benefit plan audits, contractually agreed upon audits, accounting consultations and due diligence services.

*Tax Fees.* Tax fees are fees billed by Deloitte & Touche for tax consulting and compliance services and tax acquisition and tax due diligence services, including tax consulting in connection with the operational consolidation of the Company's European businesses.

*All Other Fees.* All other fees are fees billed by Deloitte & Touche for any services that did not constitute audit fees, audit-related fees or tax fees. No such services were provided by Deloitte & Touche to the Company in fiscal 2005 or fiscal 2004.

A representative of Deloitte & Touche will be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions by stockholders.

The affirmative vote of a majority of the total number of shares of common stock represented at the annual meeting and entitled to vote is needed to ratify Deloitte & Touche's appointment. If the stockholders do not ratify the appointment of Deloitte & Touche, the selection of the independent auditor will be reconsidered by the Audit Committee of the Board of Directors.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING APRIL 1, 2006. PROXIES RECEIVED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY A CONTRARY CHOICE IN THEIR PROXIES.

## PROXY PROCEDURE AND EXPENSES OF SOLICITATION

The Company will retain an independent tabulator to receive and tabulate the proxies and independent inspectors of election to certify the results.

All expenses incurred in connection with the solicitation of proxies will be borne by the Company. The Company will reimburse brokers, fiduciaries, custodians and other nominees for their costs in forwarding proxy materials to beneficial owners of Common Stock held in their names.

Solicitation may be undertaken by mail, telephone, personal contact or other similar means by directors, officers and employees of the Company without additional compensation.

We must receive such proposals no later than March 13, 2006. It is suggested that proposals be submitted by certified mail, return receipt requested.

Stockholders intending to present a proposal at the 2005 annual meeting, but not to include the proposal in our proxy statement, or to nominate a person for election as a director, must comply with the requirements set forth in our By-laws. The By-laws require, among other things, that the Company receive written notice from the record stockholder of intent to present such proposal or nomination no more than 90 days and no less than 60 days prior to the anniversary of the preceding year's annual meeting (or, if less than 70 days' notice or prior public disclosure of the date of the meeting is given, by the tenth day following the earlier of (i) the day such notice was mailed or (ii) the day such public disclosure was made). Therefore, the Company must receive notice of such a proposal or nomination for the 2006 Annual Meeting no earlier than May 13, 2006 and not later than June 12, 2006.

A stockholder's notice to the Company must include a full description of such proposal (including all information that would be required in connection with such proposal under the SEC's proxy rules if such proposal were the subject of a proxy solicitation and the written consent of each nominee for election to the Board of Directors named therein (if any) to serve if elected) and the name, address and number of shares of Common Stock held of record or beneficially as of the record date for such meeting by the person proposing to bring such proposal before the meeting.

Nothing in this section shall be interpreted or construed to require the inclusion of information about any stockholder proposal in the Company's proxy statement.

## APPENDIX A

### **Polo Ralph Lauren Corporation** **Definition of “Independent” Directors**

The Board of Directors has established these guidelines to assist it in determining whether or not directors have a material relationship with the Company for purposes of determining independence under the New York Stock Exchange’s Corporate Governance Rules. In each case, the Board will broadly consider all relevant facts and circumstances and shall apply the following standards (in accordance with the guidance, and subject to the exceptions provided by, the New York Stock Exchange in its Commentary to its Corporate Governance Rules where applicable).

#### **1. Employment and Commercial Relationships Affecting Independence.**

A director will not be independent if: (i) the director is, or has been within the last three years, an employee of the Company or any member of the Lauren Group; (ii) an immediate family member of the director is, or has been within the last three years, an executive officer of the Company; (iii) (A) the director or an immediate family member is a current partner of a firm that is the Company’s internal or external auditor; (B) the director is a current employee of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and who participates in the firm’s audit, assurance or tax compliance (but not tax planning) practice; or (D) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the listed Company’s audit within that time; (iv) the director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company or any member of the Lauren Group, other than (x) director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service) and (y) compensation received by an immediate family member for service as an employee of the Company (other than as an executive officer); (v) the director or an immediate family member of the director is, or has been within the last three years, employed as an executive officer of another company where any of the Company’s present executive officers at the same time serves or served on that company’s compensation committee; or (vi) the director is a current employee, or an immediate family member of the director is a current executive officer, of a company that makes payments to, or receives payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company’s consolidated gross revenues.

In addition, a director will not be independent if his or her spouse, parent, sibling or child is employed by the Company.

#### **2. Relationships Not Deemed to Impair Independence.**

Subject to Section (a) above, the following relationships are not deemed to be material relationships that would impair a director’s independence.

*Non-management Directors.* The director is a non-management director of another company that does business with the Company.

*Commercial Relationships.* The director is an employee or executive officer, or an immediate family member of the director is an executive officer, of another company that does business with the Company; provided in either case that

(i) such business was entered into in the ordinary course of the Company’s business and on substantially the same terms as those prevailing at the time for comparable business with unaffiliated third parties; and

## Table of Contents

(ii) termination of the relationship in the normal course of business would not reasonably be expected to have a material adverse effect on the financial condition, results of operations or business of the other company.

*Tax-Exempt Organization Relationships.* The director (or an immediate family member of the director) serves as a director, officer or trustee of a tax-exempt organization, and the Company's discretionary charitable contributions to the organization and the charitable contributions of the Lauren Group to the organization do not, in the aggregate, exceed the greater of \$100,000 or 1% of the organization's aggregate annual charitable receipts during the organization's preceding fiscal year. (Any automatic matching by the Company of employee charitable contributions are not included in the Company's contributions for this purpose.)

### **3. Disclosure.**

For relationships that are either not covered by, or do not satisfy, these guidelines, the determination of whether the relationship is material or not, and therefore whether the director would be independent or not, shall be made by the directors satisfying all the independence guidelines set forth above. The Company will explain in its next proxy statement thereafter the basis for any board determination that any such relationship was immaterial.

### **4. Definitions.**

For purposes of these guidelines, the (i) term "immediate family member" shall have the meaning ascribed to it by the New York Stock Exchange Corporate Governance Rules (including the Commentary thereto), (ii) the term "the Company" includes any entity in the Company's consolidated group, (iii) the "Lauren Group" consists of Ralph Lauren, any member of his immediate family or any entity controlled by Ralph Lauren or members of his immediate family, and (iv) the term "executive officer" has the same meaning specified for the term "officer" in Rule 16a-1(f) under the Securities Exchange Act of 1934.
